Project Description

Al Jurf Gardens is a collection of premium class villas from IMKAN Properties, located on the coast of Sahel Al Emarat, which is often called the "Riviera of the Emirates". The residential complex is located on the territory that was created for the life and recreation of the royal family. Not far from Al Jurf Gardens was the summer residence of the founder of the UAE, where 40 years ago hundreds of thousands of trees were planted, which have now turned into a huge forest.

The construction of the project is carried out within several phases. Plots for the construction of residential buildings and villas with 2-5 bedrooms are available for sale. In the first cluster, two types of villas are available for purchase: Rihal and Raway. Their area starts from 303 sq. m. In the second phase, two types of ready-made premium villas...

Building the Future Together With Trust and Sincerity Buying or selling a house, whether for investment or for living, are very important milestones that determine the future of individuals. Just as the place called "home" has been the most tangible equivalent of trust throughout history, trust is the greatest need for the parties involved in the decision-making process regarding the house. For this reason, we put trust above all else when offering our versatile real estate services based on strong know-how, up-to-date research and project-specific reporting. With our ethical values, which we see as our most valuable capital, we are committed to always be with you in the right steps towards the construction of your future. With trust and sincerity...
